Dear Parents/Carers

As you will be aware homework is an important part of a child's education and can add much to a child's development. Children benefit greatly from the shared support of parents and teachers in encouraging them to learn both at home and school. At Wibsey Primary School we see homework as an important way of establishing successful co-operation between teachers and families.

To help our children complete homework within the time available we are giving them the opportunity to get some done straight after school. Your child has shown an interest in attending this club. The club will start on Thursday 7th January and run in 5:3, from 3:30 to 4:45pm. **Please note there will NOT be a Homework Club on Thursday 14th January.**

We believe this is an excellent opportunity for your child to get a start on, and help with, their homework. Children will have access to the resources they need to complete their homework and be in a position to show what they have done with you.

If you would like your child to attend, please fill out the permission slip and return to Mrs Eastwood as soon as possible, places will be confirmed on a first come basis. As this is after school please indicate how your child will be collected. Places will be reviewed every half term.

Yours sincerely

Mrs Eastwood
