Dear Parent/Carer

BLP SKILLS AFTERNOON

We are holding a BLP skills afternoon in Year 1. During the afternoon you will be able to work with your child in a science investigation which will involve making paper planes. We will be using the paper planes to find out which plane flies best? Which goes the furthest? Is bigger/better?

It will be held on Friday 17th February at 1.30 pm.

We would love you to join us but unfortunately on this occasion we will be unable to accommodate siblings.

We look forward to seeing you.

Yours sincerely

Mrs Moody, Mrs Brassington and Miss Shaw
