Dear Parent/Carer

The week commencing Monday 3rd July will mark the beginning of our annual *Diversity week*, which will be taking place across the school.

Due to the success of the event last year, we will be continuing our focus on diversity: celebrating people from different cultures, backgrounds and the LGBT community. As Stonewall School champions, we will be using a range of exciting resources promoting Different Families – Same Love.

Throughout the week, class teachers will be using age-appropriate literature and related activities to promote tolerance and respect. This also provides us with an opportunity to create a school community that values and celebrates the fact that we are all different.

Through this cohesive approach, we continue to promote an environment in which all children are supported to make positive choices and understand each other's differences.

Should you have any question about the activities or wish to get involved please do not hesitate to contact us.

Yours sincerely

Mrs Cooper and Miss Broadbent
