22nd June 2017

Dear Parent/Carer

Year 5 have been focussing on revising and imitating muscles as part of Building Learning Power this half term. As part of this we are holding an afternoon to which you are invited.

Children are being asked to identify and research a famous person who they view to be a good role model. This will form part of their homework this week.

On the afternoon of Thursday 29th June at 2 pm we will be asking children to share role models with the rest of the class. They will be asked to explain to the class why the person they have chosen is a good role model using the following prompts:

- What makes this person a good role model?
- What could you learn from this person?
- What behaviours and habits could be imitated from the person?
- Why was this person chosen?

Lots of children choose sports stars when we do an activity like this but then struggle to identify positive role model characteristics. Please encourage your child to think widely and to be able to answer the prompts in a meaningful way whoever they choose. We hope you can join us on the afternoon of Thursday 29th June. Please enter via the bottom hall doors opposite the car park.

Yours sincerely
