Visitors

Year 4 had a fantastic Mayan god in to visit us. They learned all about sacrificing, how they created the world and human kind and how they were the first civilisation to use chocolate for drinking. The children tasted raw chocolate—this was very bitter because it has no sugar in. They did some acting in groups, sketched real Maya artefacts, learned Maya maths and watched the teachers become gods in the story about how the world was created.

A big thank you to Past Productions for such an educational and fun day!

Year 1 also had a special visitor in this week. Kirstie Garside brought her historical toys for us to play with. We had so much fun dressing up as Victorian children and learning all about the toys that our great-grandmas and grandads used to play with.
