## **Linking Schools Project**

Children in Year 3 have been given an exciting opportunity to link with Killinghall Primary School, under the Linking Schools Project.

The Project's aim is to develop the children's social skills, raise their achievement and aid their understanding of different cultures and communities,

whilst participating in lots of fun, hands-on activities.

Following on from an initial meeting at Kala Sangham, Killinghall Primary visited us at Wibsey this week.

The children played 'Human Bingo' and you'd be surprised at just how many children can actually touch their nose with their

tongue! We drew around each others' bodies and shared our likes and dislikes.

The children also collaborated to see who could build the tallest 'Marshmallow Tower' which had to stand the test of time! Well done to the winning team whose tower stood tall for 15 seconds and measured 42cm!

### Year 6 SATS

**Year 6 children will be taking their end of Key Stage 2 SATS next week.**

**They have been working very hard preparing for this important week and**

**they are very well prepared.**

**All Year 6 children are invited to join their friends from 8am for a free breakfast on each day of the SATS: Monday-Thursday.**

**Mr Cooper and everybody at Wibsey Primary school wish all Year 6 the best of luck and we look forward to celebrating their success.**
