## Spring Term

**It seems to be far too cold and in the depths of winter to be the Spring Term. We have though completed a third of the school year and we will be holding progress meetings with parents/carers toward the February Half Term Break. As ever, if you have any questions about progress or any other issues, please contact your child's class teacher or the Phase Leader.**

*Mr Cooper*

At Wibsey Primary School we take the safety of our pupils very seriously and teach children about the dangers of the cyber world.

As part of our e-safety programme we have arranged, in collaboration with West Yorkshire Police, four E-safety workshops for parents/carers covering:

Cyber Awareness, Cyber Bullying, Cyber Safeguarding and Social Media.

The aim of the programme is to improve cyber awareness in school and at home, educating both pupils and parents on the risks that the cyber world can have on everyday life. The workshops complement the curriculum work children do in school and better supports you in handling this tricky and rapidly changing area of life at home. These workshops will raise awareness of the dangers of the cyber world and will better equip you

to keep your child safe while they are on line at home.

Workshops will cover the topics that every parent/carer should be concerned and informed about. Please look for the letter that your child will be bringing home and we look forward to seeing you at one of the workshops

**Monday 16<sup>th</sup> January**  
5.30pm -6.30pm Online Awareness

**Monday 23<sup>rd</sup> January –**  
5.30pm – 6.30pm - Online bullying/Online gaming

5.30pm – 6.30pm – Social Media

**Wednesday 29<sup>th</sup> March –**  
5.30pm -6.30pm - Safeguarding

**Remember—look out for the letter coming out next week to book your place.**

## Wibsey

### School Meals

FM, the school meals provider, are raising the price of meals from the 1st of January. The new price will be £1.65, the first rise in 2 years. Please ensure you are claiming your entitlement to free meals if you can.

### Children's University

I look forward to seeing graduates on Tuesday 10th (next week) to present Graduation Certificates at the Ceremony taking place from 5pm in the Bottom Hall.

## Primary—The

### Attendance

Congratulations to Classes 1.1 , 3.1 and 4.1 all with 99.2% attendance this week.
