

Wibsey Primary News

Issue 36

7th July 2017

Diary Dates

During the next two weeks of transition our Year 6 pupils who are leaving us in the summer have exciting activities and visits planned.

Have a great weekend

N.M. Cooper

Head teacher

Success Out of School

It is great as Head teacher to hear about the immense successes our children have in their out of school lives.

Luke and Katy Sayles are keen cyclists and are involved in both the Shibden and East Bradford

Cycling Clubs. Last weekend they were involved in the British Schools National and Yorkshire Regional Mountain Bike Championships. Luke finished 10th Regionally and 12th Nationally in the boys U10's and Katy won both the Regional and National groups making her the U7's Girls Champion. This an achievement to be really proud of and we are delighted to recognise this in school.

Sports Day

You will have seen the recent letter about Sports Day, which is being held at school on Monday 24th July.

All Year Groups have an allotted time and events will take place either on the Reception Field or on the North Road Rugby Pitch. Please check your letters for exact details, including clothing and sun protection measures (we are very hopeful of a fine day!)

Wibsey Primary— A Community of Learners

It was great to welcome leaders from Norwest College, Sydney, Australia into Wibsey Primary on Monday. They loved the BLP work we do and were extremely impressed.

Attendance

Congratulations to Classes 2.1 and 4.2 with 99.3%
