

Wibsey Primary News

Message to pupils

Well done to all of you who have had a great half term. It is hard to believe we are half way through the school year. Keep up the good work with reading journals, homework, amazing contributions in class and good behaviour. You are fantastic.

Have a great holiday

N.M. Cooper

Keeping Children Safe

Children at Risk

We have a lot to celebrate at Wibsey Primary School—one of your 'Good' area schools. Sadly we have a lot to worry about as well—issues that we have to work jointly on if we are to keep your children safe.

When it comes to on-line safety, the staff have worked on a comprehensive package of measures to inform and educate your children. The Cyber Team from West Yorkshire Police are regular visitors to school, working with children, staff and parents.

They run brilliant information and advice sessions for you, both during and after school, and should be attended by someone from every family.

We are increasingly having problems brought into school from home. This includes children who have bullied or been bullied through social media, online games and other apps. You and I know that

children in a Primary School should have limited and monitored access to these things online. You need to check, know and police your children's access to the internet. Difficult as it is, no child should be on an age restricted site or game.

We now need you to step up and work with us to protect your children. Some of the nightmare stories are true and have happened to Wibsey children. Please take time to know what your child is accessing on their internet enabled devices.

Wibsey Primary—A Community of Learners

Parking Campaign

Last week saw the launch of our campaign to make drop off and pick up at WPS a safer time. Please see last week's Newsletter online—and please, please, please email our local Councillors with your concerns. We have to campaign for change.
