Welcome back—Autumn Term 2017

Welcome back to the Autumn Term at Wibsey Primary.

9 classes in the school were completely refurbished during the summer break and it was a little touch and go as to whether we would have them open in time!

Over the last 8 years almost every part of school has been renovated and with this work it means that our children in Years 3, 4, 5 and 6 all now have fantastic

modern facilities in our special and historical building.

Thanks to all our parents and carers who have organised for children to be back in school looking fantastic in correct uniform. Teachers will continue to do spot checks and speak with you about any issues.

I'm loving the hair bobbles in purple—and the absence of big bows!

It's great to be back. I wish you all a fantastic year

N.M. Cooper

Headteacher

Wibsey Primary—*The Heart of the Community*

What absolute stars you and your children have been over the summer—helping out with or supervising holiday homework and completing the reading challenges

that were set. Mr Richards is currently going through these—more news shortly. We really appreciate the help and support provided by you at home.

Life Caravan

We are fortunate enough to have been able to afford the Lifestyle Caravan in school today and all of the rest of the week. You will know from previous years that your children will be working on lots of areas of the PSHCE curriculum in a fun and interactive way.
