News and Views

Year 6 SATs results have come into school and we are all pleased.

I will be personally seeing children next week to share these and will ensure that the data forms are included with school reports for your information.

Library Books

Please ensure ALL your children's books are back in school on Monday 24th July. That includes library books, class readers and reading journals please. We do not have a budget to replace missing books and will have to issue fines where library books are not returned. We are lucky to have a great collection of books and we all have to take care of them.

We have a really busy week and 2 days ahead. Years 5 & 6 have their production next week—please ensure you have your tickets. Sports day is the Monday 24th—all welcome. All children will return to old classes for the 24th and 25th to round the year off. Y6 leavers assembly will take place at 9.15am on Tuesday 25th. All Y6 parents welcome—bring your tissues!! Reports will be issued on Tuesday 25th. In any cases of non-attendance reports will have to be collected from school in September.

Well done to Blessing Clarkson who has been successful in gaining a place with The Delius School. This is a great musical opportunity. We are very proud of our Wibsey Musicians and grateful that

Governors have worked hard to prioritise and expand music provision in these very tough budget times.

Attendance

Amazing news that Nursery morning children have 99% attendance this week.
