

# Wibsey Primary News

Issue 2

15th September 2017

## New website

I hope you like the look of the new school website. We have made it easier to navigate and included more information on your children's learning.

A massive well done to class 2-1 with 99.7% and class 6-3 with 99.3% attendance this week.

## Have a good weekend

N.M. Cooper

## Headteacher

## News and Information

Wibsey Primary School will be once again hosting the MacMillan coffee morning in aid of this cancer support charity. You will be

receiving individual letters about this and the Golden Mile which take place on the same day. I hope you will be able to support both the coffee morning and also

be able to watch your children in the Golden Mile—supporting The Race for Life.

I know from my work with you that cancer has affected many of you, our families and friends, and so it is important that our children work together in school and with you to support these important charities. Please look out for detailed instructions on the letters.

## Life Caravan

By the end of today all our children will have been able to visit the Life Caravan. It has been a special day today as Harold the Giraffe has visited children around school.

## Wibsey Primary—*The Heart of the Community*

The new carpark on Tennyson Road has now opened. Cars can park here for 3 hours for free. It is very close to the crossing onto North Road, which makes it an absolutely ideal place to park when dropping off and picking up

your children. This is a very short walk and would make the tight and heavily congested roads around the school so much safer for your children. This is also the Council offering a free facility! How often do we get that?

Please ensure your child attends school with a coat as the weather is now changeable.

Breakfast and afterschool care club places must be paid for in advance. Places are limited and will only be available if paid for.
