

Wibsey Primary News

Issue 18

23rd February 2018

News and Views

I hope you love the variety of music and singing that takes place at Wibsey as much as I do. Over the coming weeks we have performances from the choir, whole school singers, Y3&4 in their Easter production and children from instrument tuition showcasing their talents for the school and yourselves. Practice makes perfect so please ensure instruments are in school when needed.

Have an enjoyable weekend

N.M. Cooper

Headteacher

Road Safety Update

Thank you for your support so far with our Road Safety Campaign. I have had some really useful conversations with parents, and I know Joanne ward, parent Governor with responsibility for this campaign, has been seeking views and noting views and concerns.

We have now had a very productive meeting with Highways and Cllr's Sharp and Green. A lot of work has been done on the school's behalf by our ward Councillors and when plans are finalised I look forward to sharing what should be some great improvements. Keep emailing them with concerns and suggestions.

Are you interested in training to teach?

Wibsey Primary is part of the Bradford South Partnership which is working from September 2018 to train the next generation of teachers. If you are interested in training to be a teacher we are holding a one hour information session at Newby primary School on March 1st from 4.30pm. This will give you the opportunity to find out more about teaching as a career and give you the opportunity to speak to current trainees. Further details are available on the school website or via the school office.

Wibsey Primary—A Community of Learners

Have you booked your appointment for Parent Consultation Evening? This takes place on Tuesday night next week. You can choose your own time via wibsey.parentseveni.ngsystem.co.uk

Diversity Role Models

Children in Year 5 worked with members of the transgender community this week as part of our life skills curriculum. Our children were fantastic in their attitudes, learning and in the thoughtful questions they asked. Well done Year 5.

Attendance

Congratulations to classes 5.3 with 100% & 1.1 & 5.2 with 99.%
