Consultation Evening

Today has been our annual Macmillan Coffee morning and also the launch of The Golden Mile which all pupils from Years 1 to 6 will be involved in throughout the Year.

Pupils from across school have been preparing for the

Coffee event. They have been making

and delivering invitations, making decorations and baking.

We are also using The Golden Mile to participate in Cancer Research UK's Race for Life. This is a fantastic way to improve our children's fitness and raise money for such a worthwhile cause.

We appreciate that many families in school will have been personally affected by cancer and by joining the two worthy causes, we hope that our contribution will make a difference to someone's life. Thank you for your support .
