Issue 28

31st March 2017

Holiday Dates

I hope all of you have received your pocket holiday dates cards.

These have been sent out to give you plenty of advance notice of the school's holidays starting from September 2017 all the way through to July 2018.

You will have received a similar card last year with the 2016/2017 dates.

We have had these printed a different colour for ease of recognition.

You will see that Governors have agreed to keep the same holiday pattern next year. This means that there will be a 2 week holiday at Spring Bank, which most other schools do not get. You should be able to book a much cheaper holiday

going after the first weekend or mid-week to mid-week. I always find my bargains at this time—the only time I do!

Because of this accommodation by the Governing Body there is an expectation that other holidays are not taken in term time. Any requests are likely to be refused.

Wibsey Primary— A Community of Learners

Parking

I had a great meeting with Cllr Sharpe this morning about the problems we face with parking. We all know the challenges we face

getting children to school with limited access. The bottom line is that if you are inconsiderate in parking and driving around school, an accident is inevitable.

Attendance

Congratulations to Classes 5.2 with 98% & 1.3 with 97.7% attendance.
