Dear Parent/Carer

We will be holding a Numicon' Workshop in Key Stage 1. In this workshop you will be able to work with the children to see how their learning and understanding is enhanced by using Numicon. There will be a variety of activities including repeating patterns, place value, ordering numbers, addition and subtraction.

The workshop will be held on Friday 10th February 2017 at 2.45 pm.

This is a great opportunity for you to discover how Numicon is an aid to Maths learning which will enable you to further develop your child's skills at home.

Numicon packs will be available to borrow from Mrs Brassington or Mrs Paskin for a 2 week period.

Yours sincerely

Mrs Brassington and Mrs Paskin
