

February 2017- Holiday Homework

The next half term we are learning about Wild Animals.

For your holiday homework we would like you to do some research on a wild animal. You can use books, the internet or go to the library.

You can present your findings in any way you like e.g. a poster, model or spider diagram.

Some information you might want to find out about is:

What does it look like?

What does it eat?

Where does it live?
