Dear Parent/Carer

KEY STAGE 1 SATS PARENTS MEETING

May 2016 saw the introduction of the new SATS (Standard Assessment Tests) which are taken by all pupils at the end of Key Stage 1. In addition to changes to the structure of the tests, the content was changed to reflect the new National Curriculum and the way that results are reported changed significantly. The result of these tests will inform your child's end of Key Stage 1 result, so it is important that they perform as well as possible in their tests, and that their results accurately reflect how well they can do.

Whilst we are working hard to prepare your child in school it is important that parents understand the new testing regime so that they can best support their child in the run up to the tests and during the test week itself. As the results will not be reported in the old levels it is important that parents understand what the test results mean.

I would like to invite you to attend an important briefing for parents on Thursday 23rd March at 3:45pm. It is anticipated that the meeting, which will be held in the Bottom Hall, will last for approximately half an hour and entrance will be through the Year 6 exit near the staff car park.

Please indicate on the reply slip if you will be attending the meeting.

Yours sincerely

Mrs Brassington
Assistant Headteacher/Key Stage 1 Phase Lead
