Bradford Bulls

Bradford Bulls are working with groups of children in different year groups on skills development over the last few weeks. This week saw sessions with Years 3 and 4. It has been really lovely to see some of our younger children involved in this, and to continue working with a sports club in our community.

Music

You will know how keen on developing a strongly musical school I am by the opportunities we provide and the amount of times I go on about it! This week we need to say a big thank you to Mrs White and Mrs Moody who have started a Key Stage 1 lunchtime choir, to ensure more children in school get wider opportunities.

Spring hasn't sprung!

Despite my hopes to the contrary last week, it looks like we will go into the weekend and maybe start next week with a mini cold snap. School will carry on as normal and you can take this as the case unless otherwise notified by text, BSO or local radio.

Please ensure or remind your children that winter coats are still needed, alongside appropriate footwear, as we endeavour to give them a break in the fresh air everyday.

Have a
good
weekend

Reminder

The Consultation Evening arranged for Thursday 19th April will be available for booking appointments via the on-line booking system from next Wednesday. All appointments booked for 27th Feb will be carried forward. Please log on if you need to change your appointment.

Thank you to Year 6 parents for accommodating the changes to children's schedules due to mock SAT work this week. It has enabled us to try out a few different approaches to ensure children are much more relaxed in smaller groups for the actual tests. Feedback from your children has been great.

Attendance

Congratulations to classes 6.3 with 99.3% & 3.1 & R3 with 98.3%
