We use our **'Reasoning'** learning muscle to help us to know when it's best to work by ourselves or with others.

For example, in class we use our **Reasoning** muscle to:

1. ....
2. ....
3. ....

We use our **'Making Links'** learning muscle to think about how all learning behaviours can help us.

For example, in class we use our **Making Links** muscle to:

1. ....
2. ....
3. ....

Can you help your child to use their learning muscles at home?
