CHILDREN'S VISITS

Throughout the year we organise visits for children to support their learning and for them to experience topics outside of school.

More often than not these trips are subsidised by school—we want to make life as affordable as possible. We frequently use the school's minibuses to keep transport costs down. We currently spend £8,000 keeping them

on the road, paying for fuel, services and insurance.

One of the biggest barriers to our educational visits is having volunteers from families to help support us. We welcome grannies, grandads, aunts and uncles as well as mums, dads and carers. Please have a think the next time a letter comes home and see if you can spare us the time. Your children learn so much from the experiences.

The sun is finally shining bright. I hope you are all looking forward to a glorious weekend of being outdoors having family time.

In school we are making sure your child has access to water through the day to help keep them hydrated and cool.

Please apply all day sunscreen to your children at the start of the day (preferably no less than factor 50) and send them with a hat.

Wibsey Primary—A Community of Learners

Contact Details

Have you changed your phone this year? Did the phone number change too? Have you moved house? We need your

up to date contact details on our system.

We hold 3 contact numbers in case of emergencies—are they still current? Please ensure you inform the School Office whenever there are changes so that we can get hold of you in emergencies, to discuss progress or to keep you informed.

Attendance

Congratulations to
classes 2.2 with 99.7%
& 3.2 with 99.9%
