Have a
gorgeous
Summer
Holiday to
all our hard-
working
children

N.M. Cooper

Headteacher

Summer is here

As we go into the summer break I would like to thank all of those who have supported the school and our children through this last academic year.

2017-18 saw Wibsey Primary School judged as "Good" by Ofsted for its 2nd consecutive inspection, meaning the school has been classified as a good example for over 6 years.

We have a curriculum to be proud of, with children developing well not only academically, but also as young people, ready for the challenges that lay ahead.

Goodbye

We say goodbye to Year 6 this afternoon after them having achieved some very strong SATs results.

We wish all our former pupils a successful and fulfilling future—built on solid foundations.

Year Group Summer Learning Challenges should now be on the year group areas of the website. I'm looking forward to seeing the new work up and running in September.

Ben, our new Attendance Officer, has hit the ground running. I know he has paid several weekend visits to families.

He will be moving on with his caseload and pursuing anyone absent on the 3rd September. As part of the stricter focus on attendance, Ben will be organising punctuality patrols. As ever we would rather work with families to support good attendance. Ben is very willing to help remove barriers to attendance—but it will be easier if you see him before he comes knocking.

Wibsey Primary—A Community of Learners

Amy and Lucy from WPS sparked a debate when they sent out a letter about recycling. In response Edith and Dawn from Bradford Council Recycling Team came to talk in assembly about what can and can't be recycled, the scrunch test, how waste is recycled and

from recycled materials including newspaper, bottles and even football shirts. They answered questions from both

children and staff about recycling. I am pleased to say our visitors were very impressed with our lovely school and children. Thanks to Mrs Johnson for organising.

Children—Don't forget the Summer Reading Challenge
