Diary Dates

We will be holding our own Festival of Remembrance to mark the centenary of the end of WW1 on Friday 9th November. It would be great if every child could wear a poppy for this, and we will look at putting footage of the ceremony on the website.

Wibsey Primary News

I have to say a very big thanks to the 99% of you who have really sharp expectations of punctuality. Following my letter last week, the Senior Leadership Team have monitored late pick up of children in the afternoon and the numbers of children being collected after 3.30pm is very small.

The arrangements will now continue, with senior staff recording children still uncollected by 3.40pm, with £4 charges applying for children who

have to be transferred to After School Club.

The focus after the Half Term break will switch to morning punctuality, with us starting to look at playtime catch up for children late on more than one or two exceptional occasions.

Data Collection

We are not routinely sending out data collection sheets anymore. It is up to you to keep us updated of any changes, to email, phone or home addresses. It is vital we are able to contact you or the other contacts you provide in the event of emergency. Please keep the Office updated.

Holiday

I know there are a variety of holiday homework challenges on the website that have been set for half term. I hope you have fun working on these with your children. Have a good week.
