Democracy Week

Children across school have been taking part in a school democracy week over the past few days. This has included class discussion and debate, visits to our democracy hub, voting for candidates to represent them at School Parliament (formerly The School Council) and culminating today with a visit into school from Judith Cummins, MP for Bradford South.

I am really looking forward to hearing the election results next week and of course, working with the School Parliament representatives, as they influence the work of the school over the course of the rest of this year.

Have a superb weekend

Wibsey Primary—A Community of Learners

Thank you for all your kind donations to the Christmas Fair via the non-uniform day. This year any proceeds we make will be allocated to the School Parliament. They will be asked to put together a budget document and allocate the money for resources they want.

Parent Information

We have been made aware of a safeguarding concern with the game "Fortnite" where children are being encouraged to take inappropriate selfies and share these online. Please check our safeguarding area on the website for regular updates and advice.
