**We have our Christmas Fair on Wednesday. As in previous years, school will close at 2.30pm in time for the Fair to open at 2.45pm.**

**We will need all children collecting promptly to enable staff to work at the Fair. Care Club will operate in the Reception Unit and places will be limited, so please book online if you require one.**

### Gritter Naming Competition

As I have experienced to my cost, over my years of working in Wibsey, I know we take the full blast of the north winds. That means we have a lot of experience of harsh weather conditions. We worked hard to get the school access road included on a gritting route, which made life a touch easier.

To add a bit of fun to the inevitable weather this year the Council have decided, in line with some other authorities, to name Gritters across the district. Schools have

been asked to invite children to come up with some names. I can say that this has caused hilarity amongst a number of council employees and so I have to ask that the names are child friendly! I also know that Gritney Spears, Gritney Houston amongst other obvious ones have already been suggested.

If your child would like to suggest a name for a Gritter please send it in marked for my attention and I will pass them on.

**Children in Need raised £540.60 & the Poppy Appeal raised £ 239.24 — Well Done**

### Morning Supervision

I will share with parents a behaviour incident we had in the playground before school opened, one day this week. 2 boys had a fight and quite rightly some parents had to step in to stop this. It was the kind of behaviour that is not tolerated

at this school and has led to internal exclusions/isolation.

If pupils behave in this way out of school time I will be asking parents to supervise children in the playground until school opens.

### Attendance

Attendance champions last week were:

Foundation R3 with 98%

KS1 2.3 with 97.4%

KS2 Lower 4.2 with 99.3%

KS2 Upper 6.1 with 100%
