Silver Bucket Christmas Appeal

We will be supporting Wyke Foodbank with our collections at Christmas events this year. As a small organisation, completely reliant on donations of food or money, we chose to support them this year as they were in danger of running out of food at points

this year. We know this valuable service has supported our families in the past, and would like to ensure its vital work continues.

Next Year's charities will be decided by School Parliament in the New Year.

Christmas Fair Wednesday's

Christmas Fair raised £1,884

Thank you to all who attended, and to the staff who worked so hard to make it happen. This money will be spent directly

on the children as it will form the budget of the new School Parliament. This means that the parliamentarians will need to agree and present a costed budget up to this amount for projects and development work they would like to see in school.

This is an amount of money that can make a difference in areas the children are interested in. It will also teach children about prioritising, budgeting, compromise and accountability.

Wibsey Primary—A Community of Learners
