## School Bank

Our School Bank has now officially launched. The bank, which is being run in partnership with the Bradford Credit Union, is now open every Thursday morning from 8.15am to 8.45am in the conservatory entrance, of the playground. This is a fantastic way of introducing your child to regularly saving a small amount of money and complements the work done in school in our

‘Wibsey Skills for Life’ work. A number of children have already been registered by parents and have now been issued with savings passbooks.

Children do need registering prior to being able to use the bank and forms are available from the School Office.

I would encourage parents/carers of children across school, by particularly in Key Stage 2, to join the School Bank to really get a sense of how saving a very little can grow over time, and to really value waiting and saving as a way of achieving longer term goals.

**Diary Date Reminder**  
Parent Consultations this term will be Tuesday 5th March. Notification for online booking will be sent nearer the time.

Have a cracking weekend
