E-Safety Safeguarding Parent workshop

PCSO Arif will be delivering an E-Safety Safeguarding Workshop (Online Awareness) for parents in school at 9.00am on Tuesday 5th February. Please attend if you can.

It is that time of year again where the snow makes itself felt in Wibsey—even when it is clear elsewhere. As ever, we will only close school if absolutely necessary. To provide clear information for yourselves any closure decisions will be found on our website, will be broadcast on

Local radio—The Pulse and Radio Leeds, and will be on Bradford Schools Online at www.bso.bradford.gov.uk. Parents will also receive a text from school **if** your most recent phone number is registered with us. It is of the utmost importance that we have up to date contact details, not just for closure notifications, but for medical emergencies and other reasons that we may need to contact you.

It was lovely to see children start their saving with the School Bank this week. Please contact the office to register your child. There will be an information stand at Parents Evening on the 5th March.

Attendance across school is currently 96% - which is a great improvement. Thank you to all who have worked with Mr Lewis on ensuring children are in every possible day.
