## News and Views

### Red Nose Day

Red Nose Day this year falls on Friday 15th March. A letter will have been sent out this evening with your child explaining what we are doing in school on the day. There are a limited number of noses available via Parent Pay, and we are asking children to wear red on the day, making a contribution on the day. Detailed information is available via the letter.

Thanks for your support.

### Physical Education

When staff do PE we ask them to keep a register of children who do not have a PE kit in school. Clearly sometimes your children forget or there is a mix up over days, but we are increasingly seeing children who appear to have no kit at all, or in some cases kit that doesn't fit—e.g. pumps. If you could do us a favour and just double check, including what days kit should be in school then that would really help.

### Bradford Bulls

I would like to thank the community team at Bradford Bulls who have been coming in on a regular basis to work with our children in Year 6. We are really pushing participation in sports and I hope your children have also been coming home telling you all about lunchtime Golden Mile and other activities.

## Wibsey Primary—A Community of Learners

At the time of writing only 56% of parents/carers had booked a consultation evening appoint.

Details of how to book a slot have previously been sent out but essentially if you log on to

[wibsey.parentsevening.system.co.uk](http://wibsey.parentsevening.system.co.uk)

you can pick a time to suit yourself.

Remember the date—Tuesday 5th March, and I look forward to seeing you there and hearing about the progress your children have made.

This weeks attendance champions

Foundation NAM with 97.8%

KS1 2.1 with 97.4%

KS2 Lower 4.3 with 99.7%

KS2 Upper 5.1 with 97.9%

Have a smashing weekend
