## Star Choristers

The Bradford Music Hub/Music and Arts Service held their annual conference this week. Mrs White and myself were asked to talk about music at Wibsey primary School. Governors and staff also contributed, explaining why we think music is so important, and why we have dedicated

School resources to this, including a considerable amount of funding.

The best thing about the day though was being able to take 64 children from our school choir to perform for the delegates.

The children were absolute stars, performing four

Songs for the 100 and something delegates.

We will be holding a choir concert for parents before the end of term.

### Reminder

**Red Nose Day this year falls on Friday 15th March. There are a limited number of noses available via Parent Pay, and we are asking children to wear red, making a 50p contribution on the day.**

It was lovely to catch up with a lot of you at Parent Consultation's this week. I love the feedback we get—whether it is praise or is helping us to improve further. If we didn't manage to see you then staff will arrange appointments before the Easter break.
