Issue 26

15th March 2019

## News and Views

We write this week as a school with a plea for your help.

We have had a meeting with West Yorkshire Police and the Council Area wardens about the traffic situation around school. As we are all well aware, the access to WPS is difficult at best, especially at the start and end of the school day.

The planning application for extra yellow zig-zag lines is still going through, which will mean we unblock one side of Northfield Road. We still have an issue where parents are being inconsiderate to neighbours of the school by parking across driveways. This is really unfair and makes

what should be a good relationship with, and impression of our school and children, a difficult one.

The police have asked that photo's be taken of parking infringements so that warning letters can be sent by them. Please be aware that we will be pushing this as a courtesy and safety issue.

## Wibsey Primary—A Community of Learners

### Red Nose Day

Here are a few photographs of children getting involved on Red Nose Day. Thank you for the donations.

### This weeks attendance champions

Foundation R3 with **97.2%**

KS1 2.1 with **99.4%**

KS2 Lower 4.2 with **99.0%**

KS2 Upper 6.2 with **98.7%**

Have a good weekend
