Getting Active

As the weather gets a bit better and the evenings get longer my thoughts turn to how we can get our children active on an ongoing basis. I know that a fair few of our children are involved in out of school sports—for example cycling, cross country, dance, swimming, football and rugby. I even know we

have some girls who are going to be future boxing greats.

In school we have invested in more playtime and lunchtime equipment to keep children active. Alongside the weekly Golden Mile that takes place, where children run for class

prestige, we also have more traditional games such as skipping and ball skills. We have also now got a music station outside to encourage dance. All of this sits alongside our PE lessons and before/after school club offer.

Enjoy the weekend

Wibsey Primary—A Community of Learners

Have you met with your child's class teacher this term? If you were unable to attend parent consultation evening then you still need to meet the teacher before or after school one day for your updates. Call the Office on 01274678016

A quick plea to give your child/ren a quick check this weekend for Head lice. This is something we need to come back to as a reminder from time to time—but it is a good idea to check on a regular basis.

This weeks attendance champions

Foundation R3 with **97.2%**

KS1 2.1 with **98.7%**

KS2 Lower 4.3 with **99.0%**

KS2 Upper 6.2 with **99.0%**
