Getting Outdoors

Getting outside as part of an education is an incredibly important part of growing up.

Those of you with children in Foundation will have seen how the site has been

developed over the last few years—the willow tunnel and fort are looking particularly brilliant. I have asked the staff to think about all the local amenities we could use, such as neighbourhood walks, the park as well as those things that are just a short journey away. We will continue to develop the school site as a great resource.

A group of Year 5 children were in the Lake District over the Bank Holiday weekend. They took part in a residential that saw them Ghyll Scrambling, Canoeing, toasting marshmallows around the fire alongside many other activities. It was great to see all the children together today for them to fill me in on some of their escapades! Thank you to Mr Barlow, Miss Wright and the Brathay staff for their time.

Wibsey Primary—The Good Village School

Congratulations to Miss Meadowcroft on the arrival of her beautiful baby, Archie. We look forward to seeing him on a visit to school soon.

Well done to all our Year 2 children who having been working hard on their SATs this week. Good luck to Year 6 who are starting theirs on Monday.
