## Golden Mile

### Letter from the PE Team

Dear Parent/Carer,

As part of our ongoing commitment to becoming a fitter and healthier school, we are excited to be able to offer the children in Years 1 to 6 the opportunity to participate in a Golden Mile Fun Day. This is being held on Friday 21<sup>st</sup> June, when Bradford Community Play and Development Services will be setting up three fantastic inflatable activities in the playground and on the playing field; they are:

- Inflatable Wipeout
- Spider Mountain
- Inflatable Assault Course

All pupils were made aware of this event in assemblies during the Autumn term, and understand that in order to participate they need to have tried hard to improve their own fitness by completing a set number of laps of the MUGA (Multi Use Games Area) throughout the year. For the majority of children this target has been set at 300 laps (21 kilometres).

For some children with physical disabilities or challenges we have set realistic individual targets.

Please encourage your children next week and straight after the holidays as there is still time for them to complete their laps and take part in the Fun Day.

*Ms T Rolston & Miss E Clayton*
