Summer Term 2

It was lovely to welcome in new and familiar faces when we met on Wednesday to begin the arrangements for children joining YN and YR classes in September. We will now be finalising lists for the new classes for all other year groups for September. Children will find out who their new teachers will be on **Wednesday 3rd July**, and will move to new classes from **Monday 8th July**. Further details to follow.

Year 5 Robinwood Residential

In spite of the inclement weather they faced this week, I was pleased to hear all about the adventures that the children who went to Robin wood this year had got up to.

Well done to all those pupils, who were commended on their behaviour both on the visit and whilst travelling by train by members of the public. A credit to school.

Keep dry this weekend

Wibsey Primary—A Community of Learners

Weather permitting we are working towards our inflatable fun day for those reaching their Golden Mile targets. See the Newsletter of 17th May for all the information, and keep active.

A reminder that I absolutely love hearing about your children's success and achievements outside of school as well as how they are doing in school. Please let class teachers know of medals and awards so that I can congratulate children.
