Westminster Parliament Visit

Our School Parliament had a fantastic time visiting the Houses of Parliament in London last half term.

They started the exciting day by travelling to London on the train and in order to travel to Westminster, went underground and travelled on the tube (brave teachers) .

As part of the visit , children experienced a tour where amazingly they were able to watch the debates taking place in the actual chambers of the House

of Commons and the House of Lords. They also saw many other magnificent things in St Stephens Hall which is an important part of the history of our democratic society.

After the tour, they took part in a workshop about campaigning. They found out valuable information that will be used to help promote and deliver parliamentary campaigns in school.

The children were thrilled when the local MP came to see them. Judith

Cummins was very friendly and she answered lots of questions about the roles and responsibilities of being an MP.

The children had an amazing time and made some fantastic and life long memories that will be cherished forever. A huge thank you to all staff for taking on the enormous responsibility of such a complex visit, and to our families for your trust and support.

Coats

Can we please ensure children are winter ready as we have had horrible weather all week and some children have arrived with no, or unsuitable coats.

Our poppy collection continues and we will hold our Remembrance Assemblies on Monday. Please can as many children as possible wear poppies on the day. We are selling these in school.
