

Wibsey Primary News

Issue 16

17th January 2020

Welcome Back

The Christmas break seems a long time ago now. Your children are settling in well to the start of the spring term and are ready for the packed weeks ahead.

One of the key activities they are cracking on with is achieving their 300 points to show they have completed a half marathon. As you will recall from last year, there is an inflatable fun day for children who reach this target over the course of the whole school year.

One lap of the playground MUGA equals 1 point. It is an easily achievable target over a school year. Please encourage your children to persevere and do a little exercise everyday. Some were disappointed last year at missing out. With your support they will be in line for success. Children that have

already achieved their half marathon are working towards 600 points and a full marathon. As well as their fun day these children will receive a special gold medal in recognition of their efforts. Lets see everybody earn the fun day in this Olympic year.

Any worries about your child or their progress? Teachers take appointments for short slots before and after school. Please see them directly or call the office.

Have a lovely weekend

Mr N M Cooper

Wibsey Primary— The Village School

Reminder

The school lunch provider increased the price of meals to £1.90 from 1st January 2020. The selection is great and now offers sandwiches and jacket potatoes with a choice of fillings as an additional option for fussier eaters.

The choir had a fantastic day at Young Voices in Sheffield this week. We will be putting together a special item on the website over the next couple of weeks.

This week's attendance champions

Foundation R3 with **99.0%**

KS1 1.3 with **97.9%**

KS2 Lower 3.1 with **99.7%**

KS2 Upper 5.2 with **98.7%**
