Issue 19

28th February 2020

On Monday Year 2 had an amazing classroom experience.

We made an indoor snowman.

Have a smashing weekend

## Bad Weather

Our return to the new term was blighted some what by the early morning snow. I was a bit disappointed that the roads were in such a poor state— particularly as we had had warning. I was even more concerned and embarrassed when my car was one of those stuck and skidding up Wibsey High Street!

On a more serious note, if you have had children at

Wibsey for more than the last couple of years you will know that it pains me to shut school. I hope it was helpful that we did a 10.00am start on Monday to allow children to arrive safely. I know from my conversations with some of you

that you were stuck in the same traffic that staff were. We managed to take in and keep all registered Breakfast Club children and we even managed to squeeze a few more in for those who had set off—a big thanks to all those staff who provided cover.

It was lovely to see the holiday homework challenges coming in. I look forward to hearing more about the Bake Sale organized by Mrs Johnson and Y4—more details to follow.

## Wibsey Primary— The Village School

On the bad weather note there is one thing I need from you. Please would you ensure your child has waterproof shoes, ideally wellies to come to and from school in the bad weather. The number

of children who came in with soaked feet whilst there was snow on the ground was astonishing. All pupils should also have a coat on that is suitable for the weather and for playing out.
