

Dear Parent/Carer,

Hope you are staying safe and keeping well. Below is a link to Accelerated Reader which the children use to take quizzes on their reading books and as of today they are allowing children to complete quizzes at home. The children should know their logins for this as it is something they use daily!

<https://ukhosted22.renlearn.co.uk/6705804/default.aspx>.

Please note this link must be followed as AR logins will not work through searching on google.

In addition to this, MyOn is now available to our school. This is an online platform that has over 7,000 fiction and non-fiction e-books available to read. Once your child has read a book on here, they can head on to the Accelerated Reader website as usual to take the quiz. This will allow you to track progress/engagement as we would with reading books within school

<https://readon.myon.co.uk/> (no login required).

We thank-you for your continuous support and feedback.

Best wishes,  
The Wibsey Team
