Dear Parent/Carer

Update 26-03-20

Firstly, I hope you are all staying safe and well. That is my absolute priority for you. If you are in need of any help, advice, guidance or support and the information provided on the website doesn't address this, please contact school via the App.

A reminder that an App message went out asking if any eligible families wanted to collect grab bags of packed lunch style food from school on a daily basis. If you did not respond but now feel you would want to/are eligible, then please contact Mrs Smith via the App.

I am hearing some great stories of the work your children have been doing – both on and off script. Anything that brings you comfort and joy as families is worth doing – so don't overly worry about sticking rigidly to the work plans provided by school.

If you haven't messaged your child's class teacher via the App this week then please drop them a line letting them know how things are going. That way we are all looking out for each other.

Please see the message below from me to your children. Share it as you wish.

Stay strong – and see you soon

Nigel Cooper

Message to your children

Dear Children

How are things going? Are you getting loads of the work packs completed or are younger/older brothers and sisters being a pain and getting in the way? (maybe even mums/dads or carers – but don't tell them I said that!!)

Everyone from school says hello – I am keeping them busy getting ready for when you return. Everywhere looks pretty smart. Your teachers will keep adding work packs for you each week (boo!) but if you look on the website there are loads of other creative things to do too. I look forward to hearing all about the music you've been listening to for example – although I'm not keen on the Baby Shark song – it's driving me mad (although we could get some staff doing it in an assembly when we get back – what do you think?)

I hope you are all exercising indoors or in gardens. I see a lot of you are doing Joe Wicks PE. I am trying to do it too!!! Let's keep going – it's well hard.

Take care and speak soon Team Wibsey

Mr Cooper
