

True or False?

If I count in 100s from zero, all of the numbers will be even.
Convince me.

Sort these statements into always, sometimes or never.

- When counting in hundreds, the ones column changes.
- When counting in hundreds, the hundreds column changes.
- To count in hundreds we use 3-digit numbers.

$$306 + 300 = 906 - 300$$

Alex

Is she correct?
Explain how you know.

Teddy starts with the number 356
He adds a multiple of 100
His new number is greater than 500 but less than 800
Complete the table.

Numbers he couldn't have added	Numbers he could have added

Whitney thinks the place value grid is showing the number eight.

Hundreds	Tens	Ones
● ● ●		
● ●		
● ● ●		

Do you agree? Explain why.

Using all of the counters, what is the smallest number you can make?

What other numbers could you make?

Investigate

Does adding and subtracting ones to a 3-digit number only affect the ones column?

Does adding and subtracting tens to a 3-digit number only affect the tens column?

English

Spellings

Complete the activities for every word.

remember separate height forwards caught
appear experience perhaps history exercise

Day 1	Day 2	Day 3	Day 4	Day 5
Bubble writing	Rainbow writing	Pyramid writing	Picture writing	Put the words in a sentence
				<p>Spelling After I have had my tea I am going to complete my spelling homework.</p>

English

Using your plan write your own diary entry.

Remember to check for:

- Capital letters and full stops
- Commas in a list
- Contractions
- Check your work makes sense
- Spellings (use your reading journals to try include some Y3/4 vocabulary)

WSFL

If you could go back in time to when the Celts lived in Britain, would you? Why? Think about what life was like for the people then and the things you have nowadays which you wouldn't have had...
