TTRS: Sound check

Time investigation

- Time how long it takes you to do the following tasks.
- Use your findings to make estimations.

Activity	How long in seconds/minutes	Estimate how long it would take...
To write your full name ten times.		To write my name 20 times it would take ____
To take your jumper off and then put it back on.		To do this 3 times it would take me ____
To say the alphabet.		To say the alphabet backwards would take ____
To write down the 6x tables.		To write my tables 10 times would take ____
To tidy my bedroom.		To tidy my bedroom and the living room would take ____
To do 10 star jumps.		To do 30 star jumps would take ____

- When you've completed the table, time yourself to see how close your estimations were.
- Calculate the difference between your estimations and results.
- What took you longer than expected to do?
- What did you find quicker than expected to do?
- Did any of your findings surprise you? Explain why.

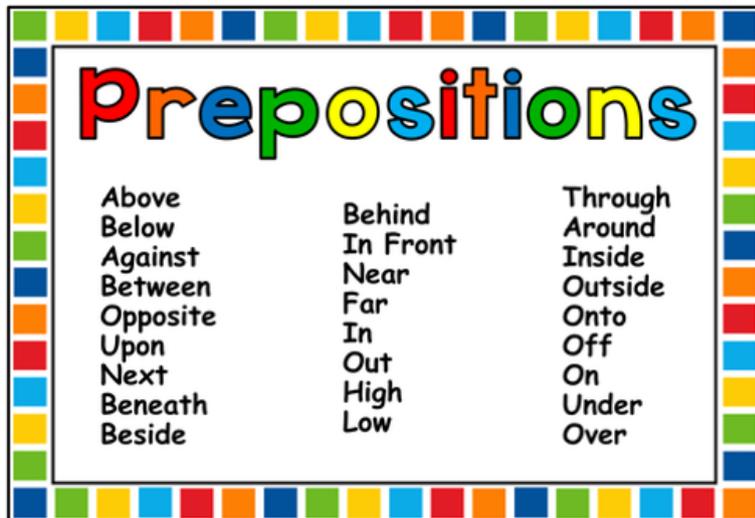

English

Spelling: Fix the mistakes.

calendur	cart	senter	considur	continew
deside	discribe	differrent	diffycult	dissapear

LO - I can use prepositions.

BLP: Perseverance

Hard: Know which phrases are prepositional phrases and tick them.

through the oesophagus	the small dog	inside the stomach

- stomach the besides liver is the

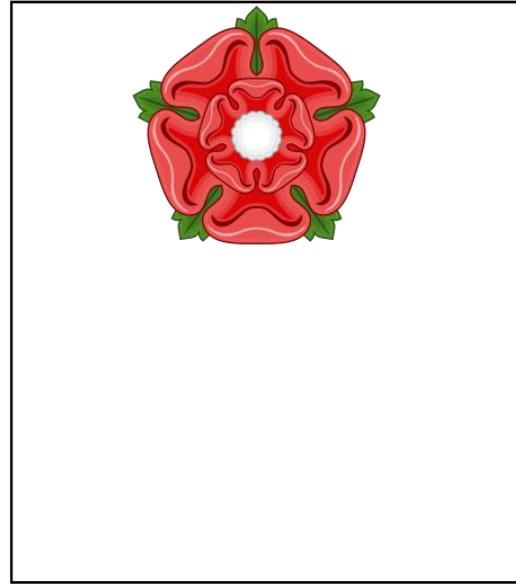

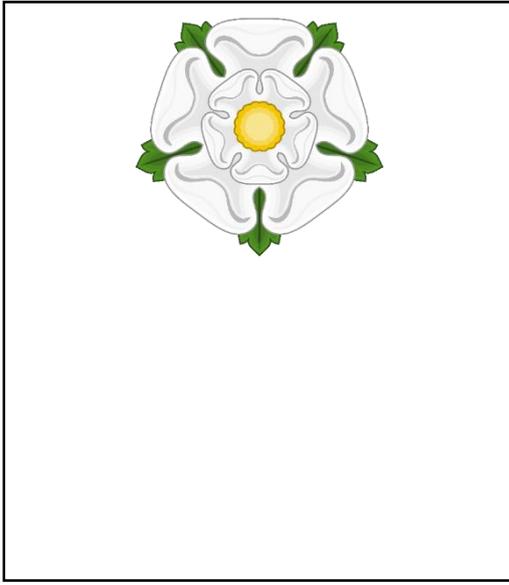

Year 4 Day Two

Geography

I can name the main towns and cities of Lancashire and Yorkshire

BLP - Noticing

Hard - Create a list of towns/cities in Yorkshire and towns/ cities in Lancashire. You could use a map, the internet or discuss with someone at home to help you.

Harder - Choose one of towns/cities that you listed in Hard and research the following information about it.

Name:

Population:

Famous landmarks:

Distance from London in miles:

Hardest - Imagine that we are going on a school trip to the town/city that you've mentioned in Harder. Write a paragraph to explain what we could do on the trip. Make sure you mention how far away it is and different ideas for what we could do when we get there.
