**Headteacher: Mr N M Cooper**

Friday 17<sup>th</sup> April 2020

Dear Parent/Carer

A short update today as very few things have changed. The big piece of news as you will all know is that the lockdown continues for another 3 weeks. I think we all support the reasoning behind this – it is so important that we keep as many people well as possible so as not to overwhelm the NHS. This does though bring me back to what I said last week. You as adults need to take care of yourselves and seek advice, help, guidance and support where you need to. Use the contacts on the website/sent via the APP, and also please send us an APP message and we will do all we can.

The Government seem to finally have got to grips with the meals voucher system for those eligible – again get straight in touch with us if you have any problems with this.

As term would officially be starting again on Monday you will find work packs on the Year Group areas of the website. I hope these are helping you with the home education side of life.

Finally, a big well done to you. I know where I live we have been out clapping on a Thursday for the NHS and other Key Workers – like our Wibsey Staff Team, but last night I was also thinking about all of you, and the amazing job you are doing too with your children in spite of all the challenges at the moment. Thank you for that.

Stay safe – and see you soon. A letter for your children is attached below.

*Nigel Cooper*

The very proud Headteacher of the amazing Wibsey Primary Community

## Letter to children from Mr Cooper

Hello everyone

Well the last 2 weeks should have been the Easter Holidays – how weird does that feel? I know your teachers didn't put the work packs on for the 2 weeks – yaaaaaayy, but I'm sorry to tell you that your school work starts again from Monday – boooooooooo.

We are going to be closed for 3 more weeks – the Government told us all last night. Don't worry about that though because it is all about us keeping super safe and I know that you have all become really good at that.

Can you please do me a big job this next few weeks? Your mums, dads, carers – adults at home – all need looking after too. Please will you support them by thinking about ways you can help. This might include being up on time to start work packs or taking your fair share of jobs. I'm looking forward to hearing about how you have been a home hero.

George and Mildred are supposed to be helping with the cleaning at my house – but decided to sit on the bed instead!!

Ok – remember everything we have said about being kind and taking care of each other – including your adults.

See you soon

*Mr Cooper, George and Mildred*
