

Fun things to do when you're not at Nursery (w/c: 27.04.20)

Important things to do each day

- Get yourself dressed. Only ask an adult for help if you really get stuck and can't put something on by yourself. Can you get quicker each day?
- Brush your teeth twice a day; after your breakfast and before you go to bed.
- Count the number of steps in your house; when you come downstairs for breakfast each morning and when you go back upstairs to bed at night.
- Read a bedtime story with an adult or older brother/sister.
- Practise drawing lines and circles, or writing your name (You could use pens, pencils, chalk or water & a paintbrush on the doorstep).
- Practise singing the nursery rhymes on your Rhyme Challenge sheets.

Choose 2 more things to do each day from the list below.

- Watch **SUPERTATO – AUDIO BOOK WITH PICTURES** (by Sue Hendra) on YouTube again. Can you re-tell the story to an adult using your own words?
- Using building bricks or other items around your house, make a home for your Supertato. Think about how tall and wide it needs to be to fit Supertato inside.
- Help an adult to prepare a healthy meal. Ask them to show you how to peel and cut the vegetables safely. **Remember to only do this with an adult.**
- Do some vegetable printing. Ask an adult to cut a potato or carrot into different shapes, so that you can dip them into paint and print some lovely patterns.

Choose one of the Reception lessons to join in with each day. There's English, Maths and other subjects to try. They cover lots of the areas that we'd be teaching in Nursery.

- **Spider Power Yoga Compilation (Cosmic Kids) – YouTube**

- Go on an outdoor **'I spy...' treasure hunt** while having your daily walk. Use the 'I spy...' sheet on the school website. You could then think of some other things to find, and write them on one of the blank sheets for another day.
