### Week 5 – Sant Jordi (Saint George's Day)

The 23<sup>rd</sup> April is an important day in Catalonia, a region of Spain. It is Saint George's Day (Día de Sant Jordi).

**Can you find the following information:**

Where in Spain is Catalonia?

What is the most important city in Catalonia?

**Read the story of Sant Jordi here:**

<https://catalansaarhus.wordpress.com/2013/04/14/the-legend-of-sant-jordi/>

Sant Jordi was a knight – un caballero (remember we pronounce the “ll” as a /y/ sound so we say /cab-a-y-ero/).

**Draw your own “caballero” and label the parts of the body. There are some words below to help you but you can look on the internet or in a Spanish dictionary to add more.**

Head = la cabeza

Eye = el ojo

Arm = el brazo

Ear = la oreja

Leg = la pierna

Mouth = la boca

Shoulder = el hombro

Nose = la nariz

Foot = el pie

**You can practice the parts of the body with this song**

**Now can you design a shield for your knight. What colours are you going to use? Can you remember the colours in Spanish? How many do you know? How many can you write down and spell correctly without looking at the list below?**

Red = rojo

Blue = azul

Green = verde

Yellow = amarillo

Orange = anaranjado

Black = negro

White = blanco

Brown = marrón

Grey = gris

**Can you add any more colours to the list?**

**Label the colours you have used on your shield or write a description of it.**

Mi escudo es .... = My shield is ...

**Extension task:**

1. Choose a scene from the story and draw it
2. Watch this video [https://www.youtube.com/watch?v=HCu4nYz\\_7\\_E](https://www.youtube.com/watch?v=HCu4nYz_7_E)

Can you create characters from the story using play doh, lego or other materials? Take a photo to show me your creations.
