

Year 3 Easter Holiday Learning Challenge

Remember to keep active! Joe Wicks is providing an excellent range of PE lessons on YouTube at 9am most mornings to keep you nice and energised!

Show your adults what we get up to on GoNoodle too! I am sure they will love our dance routines and the other exercises.

It is free to subscribe!

Topic Project

Are you a shadow expert?

With the weather picking up and fresh air being so good for you we want you to become masters of your own shadows and get out into your garden! We want you to get outside at different points of the day throughout a week and either...

- Draw your shadow
- Paint your shadow
- Take a photo of your shadow

Be as creative as you can! We want to see how your shadow changes at different points throughout the day. You could even choose an object, your pet, an adult, your favourite toy and have a look at these shadows. Is your shadow different in a morning to what it looks like in an afternoon? Why do you think this is?

Why not try the yoga poses from GoNoodle to make your shadows look super interesting and creative? <https://app.gonoodle.com/>

Spellings - Write a sentence for each of these words:

appear	disappear	imagine	ordinary	peculiar
special	surprise	famous	extreme	experiment

Could you include co-ordinating and subordinating conjunctions in your sentence? Maybe even some contractions!

Mathletics and Times table Rockstars -

Don't forget to keep logging on! You can still achieve certificates over the holidays!

Reading journals - Please try to complete at least one task during the holidays from a book you have been enjoying recently.
