

Year 3 Week 4 Day 3

Starter Challenge

Circle the time in the table that best matches the following:

| | | | | |
|---|------------------------------|---------|---------|-------|
| a | After lunch | 6 am | 6:30 am | 2 pm |
| b | Before school | 7:30 pm | 7:30 am | 2 am |
| c | Bedtime | 7:30 am | 8:30 pm | 9 am |
| d | Dinner time | 5:30 am | 1:30 pm | 6 pm |
| e | When I have my afternoon tea | 4 am | 4:30 pm | 11 pm |

Extra Challenge - Can you put the events and times in order

Choose your challenge

Follow the links for some useful videos to help with this unit.

• Green - Hard

LO: I can change a clock from digital to analogue to the nearest hour and a half.

Recap -

<https://www.youtube.com/watch?v=sAYiUZSRmk0>

• Amber - Harder

LO: I can change a clock from digital to analogue to the nearest 5 minutes.

Recap -

<https://www.youtube.com/watch?v=W47g3FMFKJU>

• Red - Hardest

LO: I can change a clock from digital to analogue to the nearest minute.

Who's up for a
CHALLENGE?

Maths - Measurement - Time

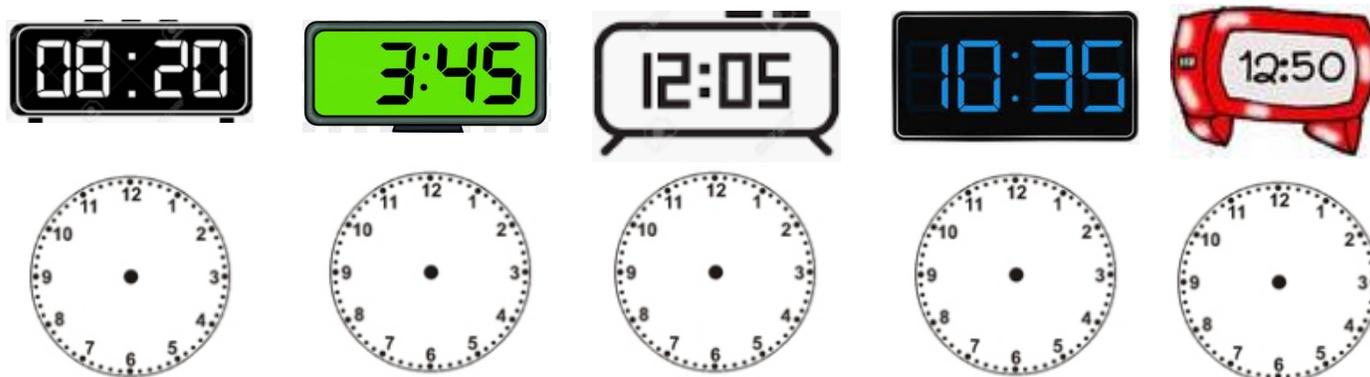

LO: I can change a clock from digital to analogue to the nearest hour and a half.

Find the correct time and change it to an analogue clock.

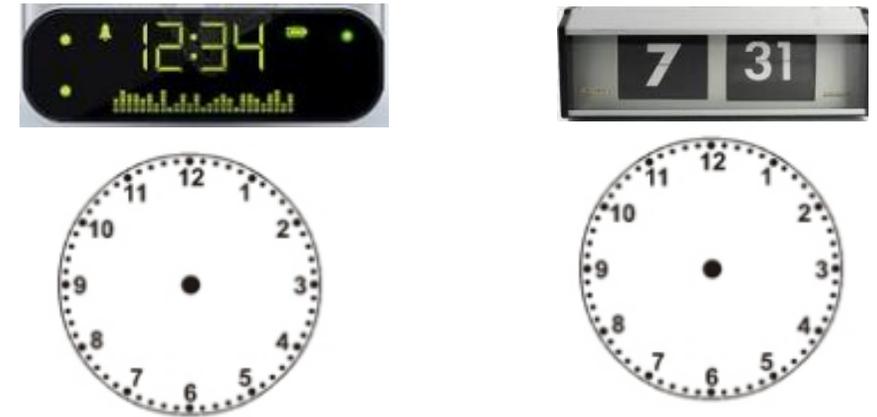

LO: I can change a clock from digital to analogue to the nearest 5 minutes.

Find the correct time and change it to an analogue clock.

LO: I can change a clock from digital to analogue to the nearest minute.

Find the correct time and change it to an analogue clock.

Maths - Measurement - Time

4 children describe their birthdays.

My birthday is the first day of the second month.

Mo

I was born on the 15th of June.

Teddy

I was born on the last day of the year!

Eva

I was born two days before Mo.

Dora

Can you work out their birthdays and order them from earliest to latest in the year?

Is Teddy correct?
Prove it.

Teddy

If the time has an 8 in it,
it has to be 8 o'clock.

GPS

How many different ways can you write these spellings? (Maybe in paint, in sand, in colour, in bubble writing)

1. question
2. particular
3. history
4. learn
5. earth
6. strange
7. therefore
8. group

English - Instructions need to be
in chronological order

What does Chronological
mean?

Instructions need to be in
chronological order

Chronological means time
order - so your steps are
in the correct order that
they need to be done in.

In your home how many instructions can you find?

. Write as many down as you can in your book.

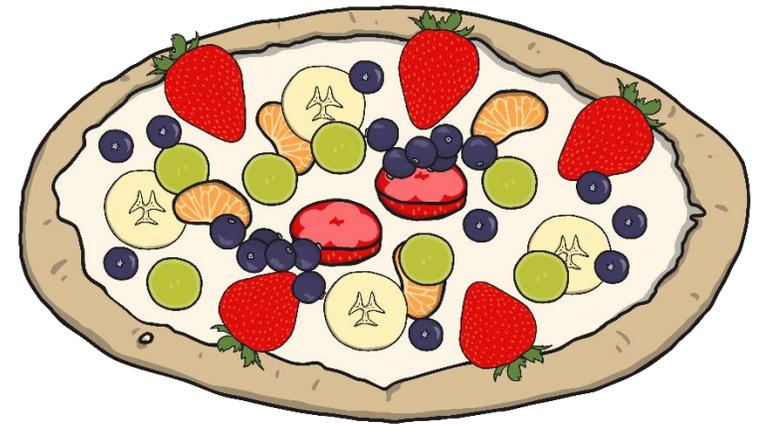

What sentence types do they use?

What word classes do they use?

Read the two WAGGOLS
below

- You may even want to have a go at following the instructions!

How To Plant A Sunflower Seed

What you need:

- A small pot
- Soil
- Seeds
- Watering can
- Water

What you do:

- Fill the pot with soil to just below the top.
- Add a little water to the soil.
- Put 1 or 2 seeds onto the soil carefully.
- Cover the seeds with a little more soil.
- Pour more water onto the soil gently.

Top Tip:

Water the soil everyday to help your sunflower grow.

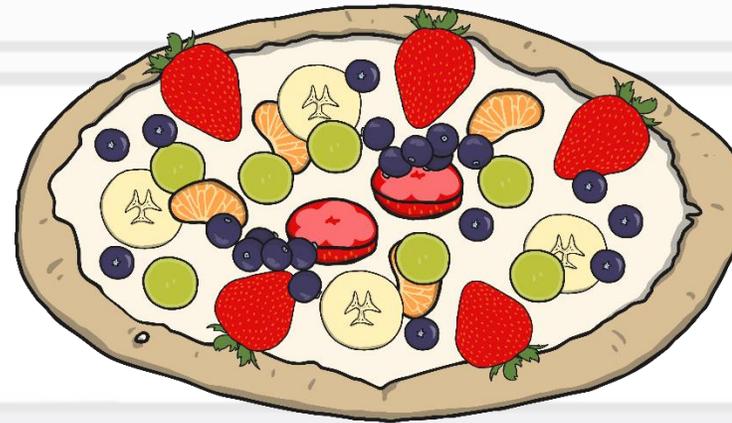

How To Make Fruit Pizzas

You will need:

- Digestive biscuits
- Natural yoghurt
- 3 – 4 different types of fruit e.g. Apple, banana, grapes, orange
- Plate
- Spreading knife
- Sharp knife
- A grown up!

What to do:

- First, place your biscuits on the plate.
- Then, spread the yogurt onto the biscuit.
- Carefully cut up the fruit into small pieces. (Ask a grown up to help you with the sharp knife)
- Finally, put the fruit on top of the yogurt.
- Enjoy!

Top Tip:

Keep the fruit pizzas in the fridge once made.

WAGOLL Questions

How to plant a sunflower.

1. Under what subheading would I find the items I need to follow these instructions?
2. How many seeds do you need to put onto the soil? How do you put the seeds onto the soil?
3. Find another word that means carefully.
4. How often should you water the soil?

How to make fruit pizzas.

1. What type of yoghurt do you need for your fruit pizzas?
2. What type of pieces do you need to cut the fruit into?
3. Why do you think it tells you that you need a grown up?
4. Under what subheading would I find the answer to - Where should you keep the pizzas once you've made them?
5. If you were making a fruit pizza what fruit would you use on your fruit pizza?

Computing

I am sure over the Easter Holidays we have all watched the television.

What we would like you to do is to re-watch your favourite clip/episode from something you have watched and analyse it (a bit like we did in class for the sporting videos).

When watching your clip think about...

- *Camera angle*
- *Zoom*
- *How many cameras do you think there are?*
- *Is the camera steady/unsteady?*

Make a note of this in your book.

Using what you have seen...

How would you improve your selected programme/clip?
If you were the person in charge of the camera what would you do differently?

You could even have a go at making your own film clip!
