Year 5 & 6

See how many of these tasks you can complete. Colour in the box when you have done it.

Design a costume or set for a musical of your choice	Stretch your body for 15 minutes to a piece of calm, relaxing music	Listen to a new genre of music you haven't heard before	Teach someone a song
Write a music quiz for someone in your family	Use a music app on an ipad, tablet or smart phone	Write your own song or rap about an issue you care about	Dance to some music of your choice
Research the history of music in Europe	Learn a new song, with lyrics and a melody	Ask someone in your family to make music with you	Sing in the bathroom, as loud as you can!
Bounce a ball in time to the beat or rhythm in a song or piece of music of your choice.	Write down some rhythms on a piece of paper and play them with someone in your family	Research and take notes about a Blues musician	Learn some beatboxing or rapping skills!
Play along with a music tutorial on Youtube	Make a poster about a famous composer	Write a poem about music (it could be a style/genre, or a composer or a musical instrument!)	Watch a musical film or play
