

## Year 3 Week 5 Day 4

Tom and his friends have been home in isolation for the last 5 weeks. They have kept in contact with each other and loved playing outside. However one morning something peculiar happened.

He received a letter through the letterbox from an anonymous sender. In the letter it explained that if he solved the puzzles, found the clues he would be able to release the creature back into the wild. Puzzled he is asking for your help.

Who sent the letter?

How does he solve the clues?

What creature is in the box?

Today you are going to gather the clues and try solve the problems. You will be given a total of 4 problems and each clue will help you open the box!

If you solve the clues correctly you will be rewarded with a lock number on the answer sheet. These numbers will need to be put in the correct order to open the lock and release the creature.
