TTRS: Soundcheck

I can identify lines of symmetry in 2D shapes presented in different orientations.

BLP - Persevering

Fluency:

Copy
this page
and cut
out each
shape.

Find all the lines
of symmetry.
See how many
different ways
you can fold
each shape in
half. Then draw
in all the lines
of symmetry on
the shapes on
this page.

a

b

c

d

Year 4 Home Learning Pack Summer One Week 4 Day Three

Fluency 2: Draw the lines of symmetry on the shapes below. Some have 1 line of symmetry, some have more! If you are unable to print the pictures - you can use a ruler and draw the symmetrical shapes. Handy Hint: Use an even number number of cms for the sides of your shapes not odd!

English

Spelling: The 'anti-' prefix usually means against. For example, when a car gets too cold, we use **antifreeze** to 'go against' the cold and ensure that important parts of the engine don't freeze.

Definition:

antifreeze - a liquid added to water to keep the engine of a car at a safe temperature

Choose one of the other 'anti-' words and write its definition. You may wish to use the internet, a dictionary or to discuss with an adult to help you.

I can use sensible fronted adverbials for a comparison report

At the end of the week, you are going to write a comparison report (like the one for Tigers and Lions) about the similarities and differences between Anglo-Saxon life and modern life.

Hard - Which of these fronted adverbials would be suitable in your report? Make a list in your book.

In the distance, ...	Back in those times, ...	Under the table, ...	In the modern day, ...
When Anglo-Saxons existed, ...	Over time, ...	During the Saxon era, ...	Between the trees, ...
In fact, ...	Quickly, ...	All of a sudden, ...	Nowadays, ...

Tip: There are 7 suitable ones to find!

Harder - Choose 3 of the suitable fronted adverbials from Hard and create your own sentences

WAGOLL: In the modern day, farmers use tractors and machinery instead of oxen and ards to plough fields.

Year 4 Home Learning Pack Summer One Week 4 Day Three

Hardest - Choose one of the categories below

Girls	Boys	Houses	Cooking	Jobs
-------	------	--------	---------	------

Write a paragraph comparing your chosen category in Anglo-Saxon and modern times. Try to use 2 or 3 fronted adverbials from today's lesson.

A WAGOLL has been done below about farming.

WAGOLL:

In Anglo-Saxon times, farmers planted crops like wheat, oats and barley and raised animals such as pigs, sheep and cows. Modern farms are similar although farmers now have many more plants and animals, as well as a much greater variety. During the Saxon era, oxen were crucial on farms as they were used to plough the fields. In 2020, farmers use tractors and machinery instead as they make the job a lot faster and easier.

Science (linked with Music)

I know that the pitch of sounds can be changed.

Task: Log onto charanga

Go to: Freestyle, Creative Apps, Musical Toolkit and watch the animation about pitch.

Musical Toolkit

Lessons

LAUNCH Pulse MORE

LAUNCH Rhythm MORE

LAUNCH Pitch MORE

Overview

The Musical Toolkit supports the learning and understanding of music concepts such as pulse, rhythm and pitch. The Toolkit contains engaging cartoons which the children will enjoy watching time and time again and the ever-popular rhythm grids.

Go to Freestyle, Listening Calendar and explore the songs for May.

Listen and Appraise - Ode To Joy	...
Listen and Appraise - Happy Birthday by Stevie Wonder	...
Listen and Appraise - Tubular Bells by Mike Oldfield	...
Listen and Appraise - Make You Feel My Love by Bob Dylan	...
Listen and Appraise - Eye Of The Tiger	...

- Listen and appraise each song.
- Answer the questions about each song
- Find out facts about the song.
- Discuss the pitch in each song.
- Which song do you like the best?
- Why?
- Which song do you like the least?
- Why?

Go to Freestyle, Listening Centre, Listening Games, identifying musical concepts and complete the pitch shape game.
